Rue de l'Aqueduc 113, 1050 Bruxelles, Belgique
+ 32 (0)4 94 41 02 34 aderugin@skynet.be

A focused and responsible worker looking for challenging opportunities:

- problem solver with good communication and presentation skills, can produce original solutions
 - quick learner passionate about self development have a futuristic vision and a creative mindset
-

Professional experience

SMEX SA – account manager/commodities trader October 2007 - current

- SMEX – Scandinavian metal exchange is a new company on the Belgian market, and being among its first employees I have helped to get the business up and running from an administrative point of view almost singlehandedly
- Was responsible for handling customer accounts on the London Metal Exchange and after 2008 for trading futures contracts. Also coordinated the physical metals business

Pliner and Partners – real estate internship June 2006 - October 2007

The function consisted of searching for objects, negotiating with the owners and following up by advertising and organizing visits and meetings with potential clients

Various bars – student jobs in horeca 2004 - June 2006

Helped me to acquire a solid work discipline, learn to stay calm under pressure, manage and adjust my schedule to fit various difficult working hours

Education

Saint Luc Institute of architecture – Interior architecture Baccaalaureate (evenings) 2009/...

Institut Fernand Cocq – Basic management aptitude Certificate 2008/2009

Solvay Business school ULB – 2 years of Baccaalaureate in economics 2003/2005
